Electrolux Professional Line 5000

Electrolux Extra-Spin "X" Washers 220-300 G-force Coin/Card

**Heavy-duty, built to last, and saves up to 30%
on water – automatically.**

Electrolux Professional 220-300 G-Force high-speed extraction, solid-mount washers minimize drying time and provide significant electrical and gas savings. Self-service laundries benefit from faster throughput (freeing up dryers, folding tables and parking spots) which creates higher profits. Your customers can even receive a text message (option) notifying them when their wash is done and ready for unloading! Increase your profits and create customers for life with the unique features of Electrolux Professional washers. Electrolux X-Series washers are built to take the abuse of a demanding coin laundry environment and to provide years and years of trouble-free operation.

Features and Benefits:

- AWS (Automatic Water Savings) - saves up to 30% on water. With every wash cycle, AWS determines the actual weight of the load and adds precisely the right amount of water significantly reducing water consumption and energy costs
- Extremely low water and energy consumption
- Convenient four compartment detergent box
- Automatic liquid detergent supply - optional I/O board
- Large, secure coin box
- USB in coin box for easy access and programming
- 220-300 G-force extraction removes more water, saving energy & time in dryer
- Heavy-duty construction with robust steel door and lock, hinges set wide apart
- Stainless and galvanized steel in all vital parts for maximum rust protection
- Power Balance ensures the correct extraction and maximum savings in drying time. Minimizes stress on machines for trouble free operation and longer machine life.
- Sanitizing Rinse for greater customer satisfaction and additional revenue
- Text messaging - option
- Voice guidance - option

Compass Pro microprocessor offers:

- Large display and one control knob for easy program selection
- More than 20 languages available
- Real time clock for time of day pricing, happy hour pricing and promotions
- Revenue generating quick selection and option buttons for the most frequently used wash programs and options
- Detailed user statistics and programmability

Available in 65, 80, and 135 lb. capacities.
5 year limited replacement parts warranty -
best in the industry!

Designed by experts. Inspired by you.
